RUSH YOUR ORDER WHILE SUPPLIES ARE AVAILABLE

Our harvesting is now well into its third month, and with favorable growing conditions we have been able to produce QUALITY seed in surplus to our contract needs.

One of our tests of QUALITY SEED is how well it germinates. This year we are again happy to announce that tests made by an independent laboratory have indicated our seeds to be tops in germination. When you want seeds that will grow, get the best.

Get MACDONALD SEED and be sure of your QUALITY.
